Profile

-Though not a true native (I come from the great lakes area), I have considered Colorado 'home' for nearly 40 years. I have been living in, loving, and promoting the Pikes Peak region, and especially the area on the back-side, for the past 24 years!

-I began my career as an accountant 20+ years ago, and still specialize in corporate and small business taxation, but I have been a licensed real estate broker for 10 years, with 8 of those years as the managing Broker with up to 10 active agents.

-Consistently a 'Top Producer', I have been awarded the Top Producing Agent, Top Selling Agent, and Rookie of the Year awards, as well as the Top Producing Office award for 8 years straight.

-I enjoy working with buyers, especially first time buyers, and I truly understand the issues associated with new construction and development. I can use my experiences to help you make your home purchase as easy as possible, especially coming from another area, because I know this area better than most! This is my backyard, this is where I raise my kids and live my life. Why don't you let me show you around!

-I believe that who you associate with is important, so I proudly continue my active affiliation with the following professional organizations:

- Womens Council of Realtors
- Realtors Land Institute
- Real Estate Buyers Agent Council
- National, Colorado, and Pikes Peak Association(s) of Realtors
- National Society of Accountants
- Public Accountants Society of Colorado
- National Society of Tax Practitioners
